

AAPM 34th Annual Meeting | April 25-29, 2018 | Vancouver, Canada

Managing Acute & High-Impact Chronic Pain through Multidisciplinary Care

#PainMed2018 | painmed.org

Increase traffic and engagement at your booth. All it takes is a passport.

The **AAPM Passport Program** is a great way to encourage attendees to get to know select exhibitors.

Everyone will receive an AAPM Passport with their registration packet, listing the participating exhibitors and their booth numbers.

Attendees will visit the participating exhibitors, and receive a stamp in their Passport. Once their Passport is full, they will be eligible to enter a drawing for prizes up to \$1,000.

They will actively seek your booth and will engage on topics based on questions posted in the Passport (Bronze Sponsors). For example:

When should a clinician incorporate medically necessary UDT in their practice?

When should prescriptive therapies be considered?

Register today. Participation is limited to 15 exhibitors.
